

Harry Kersley - Classical Tenor

"Harry sang at the annual carol service for The Henry van Straubenzee Memorial Fund on the 4th of December 2018. This is a major fundraising event for the charity, attracting approximately 850 guests to St Luke's Church in Chelsea each year. His performance was widely acclaimed and part of a program of music and readings, which included The Duke and Duchess of Sussex. Prince Harry is patron of the charity and appealed on the night."
