

A warm welcome to Moorgate Care Village

Residential Care and Nursing Homes for the Elderly

Moorgate Care Village is just a stones throw from Rotherham town centre and very close to Rotherham A & E Hospital. We offer the very best care for the elderly and infirm in luxurious surroundings.

The homes are surely the finest care homes in the area, boasting the very best facilities all round. All rooms are spacious, have sumptuous en-suites, along with acres of day space, wide corridors and a touch of class throughout.

All 3 homes sit comfortably on this picturesque site, with extensive long distance views across Rotherham and the moors of South Yorkshire beyond. The whole site has a 'village community' atmosphere and there are wonderful garden areas, patios and decked areas to enjoy.

Moorgate Croft

Beautifully presented at the top of the site, Moorgate Croft offers 31 superb single, en-suite rooms. There are spacious lounges and reception areas available for various activities such as quiet reading, cards, listening to music, television viewing and entertaining visitors.

The dining room offers traditional home cooked food prepared daily by our talented catering team. Residents are offered choices each day and special diets including vegetarian are catered for.

At Moorgate Croft we are dedicated to improving the quality of life for our residents and to this end we provide a variety of activities, therapies and entertainments and outings. These stimulate, inform and brighten the day for residents and staff.

And if that's not enough our on site hair salon is available to ensure you're always looking your best!

Outside residents and visitors can enjoy the stunning patio areas on those sunny Yorkshire days!

A warm welcome to Moorgate Care Village

Residential Care and Nursing Homes for the Elderly

Moorgate Hollow

A 24, single room, all en-suited home for dementia residents.

Moorgate Hollow has been very carefully designed, having counselled the advice of experts in this field. The home provides a wonderful environment that fully understands the needs of residents in this highly specialist area. From colour co-ordinated areas to the small unit type living, residents and their loved ones can rest assured that Moorgate Hollow provides a safe and secure environment.

Moorgate Hollow's staff are highly skilled and motivated, ensuring the needs of the individual and quality of life to match the expectations of residents and their loved ones.

Residents also enjoy the superb traditional home cooked food prepared on site by our dedicated catering team and a wide range of activities and entertainments designed to stimulate and be enjoyed.

Our emphasis is on making our residents feel safe, secure, at home and cared for at the highest level. At the same time their relatives can have peace of mind knowing that care and support is always on hand.

Moorgate Lodge

A home for 56 persons of both nursing care and residential care with no less than 52 en-suited rooms, to accommodate four rooms with the ability to share for married couples and close friends.

We strive to make our residents feel at home, so we encourage them to bring their own treasured items of furniture, to entertain relatives and guests and to take part in discussions regarding the running of the home.

From bingo and cards, to painting and parties there's always something to enjoy at Moorgate Lodge. Summer fetes, singalongs and birthday celebrations are all part of every day living to keep our residents happy.

At Moorgate Lodge we pride ourselves on the dedicated care we offer, with our senior staff holding qualifications well in excess of the norm for a residential care home.
