Inspected and rated Good – Care Quality Commission

the gold standards framework PLATINUM

Joy Cagande, Manager

Abbotsleigh Care Centre offers exceptional respite, residential, nursing, rehabilitation and palliative care services, all within a warm, supportive environment. The Home provides personalised care to meet individual needs, promoting comfort, dignity and independence. Abbotsleigh also offers dedicated physiotherapy support, helping residents improve mobility, strength and confidence through tailored rehabilitation programmes. Proudly holding the Gold Standards Framework Platinum Accreditation, Abbotsleigh is recognised for its outstanding end of life care and compassionate approach. Residents enjoy a varied lifestyle programme, nutritious home-cooked meals and a strong focus on well-being. The dedicated team members at Abbotsleigh are caring, skilled and deeply committed to enhancing residents' quality of life. With their professionalism and warmth, they ensure every individual feels supported, respected and truly at home.

The Abbotsleigh and Nellsar websites contain a lot of information about what we have to offer but why not book a visit to take a tour and meet our team?

Go to abbotsleigh.nellsar.com and click Book a Visit
