

Grounds

The beautiful cottage style gardens with Summerhouse and green house provide a secluded retreat in which to relax and to watch the many types of birds and wildlife. The Croft prides itself on our summer display of hanging baskets/window boxes and pots for which we have become well known in the area.

Leisure/Social Activities

We offer a wide range of activities including, flower arranging, crafts, exercise to music and a gardening club to mention a few. Also trips out including local places of interest garden centres, theatre, coffee mornings etc.

The Croft is registered with Wolverhampton Social Services as a residential care home.

The Croft Residential Home

Situated in lovely surroundings within the heart of Finchfield, The Croft is a charming period property dating originally from the 1890's. A wide variety of local shops and facilities including, churches, library and park land are only a few moments walk away. The luxurious accommodation has been purpose built to the highest standards and designed to create maximum independence for residential and short stay residents in a homely and friendly atmosphere.

Accommodation

All residents have single bedrooms with en-suite facilities creating maximum privacy. Garden rooms have French doors directly onto the patio and grounds. Private telephones can be connected to each bedroom if required and television points are provided. Although each room is furnished further items of furniture can be brought in by arrangement. Room temperatures can be individually controlled and there is an advanced nurse call system throughout the home.

The Croft has three sitting rooms each with their own character all overlooking pretty gardens.

"The Inglenook"

A peaceful room of character.

"The Library"

An intimate room for reading, card games & music.

"The Garden Room"

Divided into two areas with lovely views of the garden.

Catering

Great importance is placed at The Croft on providing quality and choice for residents with attractive and varied menus. A local family butcher provides our meats and fresh seasonal vegetables and fruit are delivered twice weekly. Special diets can always be catered for. Meals are served either in the residents rooms or in one of two delightful dining rooms. Our "residents kitchen" is fully equipped and is used by visitors and residents to make drinks and snacks or even do some baking for the more adventurous.

Staffing

The Croft is managed by a qualified Care Manager who produces individual care plans tailored to each residents particular needs. The trained and experienced staff are on duty 24 hours a day to provide a caring and personal service with comfort and peace of mind for residents at all times.

Services

Residents are encouraged to retain their existing G.P.'s if possible, however, alternative arrangements can easily be made by the Care Manager if needed. Hairdressing is managed by our in-house hairdresser in our own hairdressing room. A full personal laundry service, excluding dry cleaning, is included in the fees. Optical, Chiropody, Physiotherapy and Dental services will be arranged for you as required.
